

Paint colors and finish

Fan coil units

Unit ventilators

Water source heat pumps

Standard colors

Standard color choices vary by product and model. Consult your Daikin Applied representative for more information.

Antique ivory

Oxford brown

Cupola white

Putty beige

Off white

Soft gray

Custom colors

Not seeing the color you need? Daikin Applied can custom-paint units to match your requirements. Contact your Daikin Applied sales representative for color choices and options.

Colors to fit any decor

Textured charcoal bronze

(Non-glare and scuff resistant)

Autumn brown

Dark bronze

Aluminum finish

Clear anodized aluminum finish

Optional clear anodized finish reduces surface glare.

Louvers

All louvers can be furnished unpainted, clear anodized aluminum, or painted with a color selected by the architect. Constructed of an aluminum alloy, they are suitable for color anodizing by others.

Focused on a sustainable future

Daikin Applied is committed to sustainable practices as part of our corporate culture. We believe it is the right thing to do for our customers, our community, the environment and ourselves. As a global leader in HVAC technology, Daikin Applied has a unique opportunity to make a difference in sustainable initiatives and to continue to lead the industry in environmental solutions.

For more information about our complete line of colors and finishes, contact your local Daikin Applied sales office or visit www.DaikinApplied.com to find an office near you.
